## GENERAL INFORMATION

### **Bid Quotes:**

Bidders shall quote the price of the vehicles on SMART's Bid Proposal forms. Bids not submitted on the Bid Proposal forms may be rejected. Bids received after 2:00 p.m. on the closing date will be returned. Bids submitted by FAX or EMAIL will not be accepted. **Bidders must quote using the attached Bid Proposal Forms.**

All bidders must submit with their proposal sufficient literature to show compliance with all specifications. Vehicles with specs comparable to those requested will be considered when provided with sufficient detail to make a qualified comparison. Any deviations from specifications must be clearly indicated in writing at the time the proposal is submitted. SMART reserves the right to waive minor variations in specifications.

The award will be made to the lowest responsive responsible bidder whose bid complies with the specifications in a manner satisfactory to SMART's best interests as determined by SMART. The right is reserved, as the interest of SMART may require, to reject any or all bids, or to waive any informality or minor irregularity in the bids.

Bids shall include California sales tax, but exclude Federal Excise sales tax; shall include delivery charges; shall include California Tire Recycling Fee, and shall include DMV document preparation fee for exempt license plates.

### **Additional Optional Equipment:**

After award, SMART may request additional equipment options to be priced separately from the bid amount.

### **Delivery Date:**

Bids shall include a specific date of delivery, example: 5 days from the date the bid is awarded by SMART. In the event the new vehicles have not arrived to SMART's final destination by the stated date as listed on the official bid form, the contract between the successful bidder and SMART may be considered null and void. Delivery of vehicles must be made to SMART no later than 30 days after receipt of order.

### **Extension of Delivery Date:**

SMART shall have the option of granting an extension to the successful bidder provided he/she has submitted a written request identifying the reason the extension is necessary to SMART at least three days prior to the delivery date stated on the official bid form.

**Accepting Secondary Bid:**

In the event a successful bidder fails to provide the vehicle within the time specified and the contract is canceled, SMART may enter into an agreement with the next lowest bidder for delivery of the vehicle(s).

**Delivery of Vehicle(s):**

Vehicles shall be delivered to Sonoma-Marín Area Rail Transit District (SMART), Rail Operations Center, 3748 Regional Parkway, Santa Rosa, CA 95403. The vehicles shall be completely serviced as recommended by the manufacturer prior to delivery to SMART, and shall be delivered to SMART with a **full tank of fuel**. Title to vehicles shall not pass to SMART until the units have been delivered to the designated location and have been inspected and accepted by SMART.
